

Friday Concert Goers . . .

The Deer Valley Amphitheater has a couple of food options for our concert adventure on Friday night. There's a typical concession stand, or you can pre-order a "Gourmet Picnic Option" to pick-up when you arrive at the concert. Wine can be purchased through the Snow Park Lodge next to the concert venue. Beer can be purchased at the concession stand. Non-alcoholic beverages are available with the picnic option.

Deer Valley Resort's selection of picnic bags are available for order until 5 p.m. the day prior to each concert. Special Dietary needs? No worries. Vegetarian, gluten-free and vegan options are available along with children's picnic bags. Gluten-free information: gluten-free breads and desserts will be substituted; all entrées will be prepared gluten-free. Vegan information: entrée will be the same as vegetarian with edamame and a vegan dessert.

All concert picnic bag options are single-serve portions and include paper plates, paper napkins, plastic ware and moist towelettes. Please note: Tax is in addition (9.45%)
Pick-up: picnics are available for pick-up after 6 p.m. adjacent to the concession stand.
