

FACTS - Utah Symphony 70s vs. 80s Music

Friday Evening, August 3
Doors open at 5:30 p.m.
Show starts at 7:30 p.m.

Deer Valley Snow Park Amphitheater
2250 Deer Valley Drive, Park City

Take a trip back to your favorite decade with conductor Edwin Outwater and vocalist Capathia Jenkins, who will both bring new excitement and energy to your favorite hits by George Michael, Whitney Houston, Patty LaBelle, and more!

Tickets will be distributed to concert-goers sometime during the week, but no later than Friday morning. If you have purchased lawn seating, please note we are planning to send out a “vanguard crew” to claim an area so Club members can sit close together. We have some nylon beach blankets for our use, or you can bring something from the hotel for your own comfort.

Transportation – You may drive, or consider taking the Park City complimentary shuttle bus from the hotel to Snow Park Lodge (site of the show).

Food + Drink – The Amphitheater does have concessions on site, including beer and soft drinks. If you prefer to have wine, you’ll need to bring that with you.

Box “lunches” - We are considering ordering boxed sandwiches for purchase by Club members. Details will be available on-site at the meeting, and we likely would have to turn in orders by Wednesday.

After the concert – Consider taking the lift up to the St. Regis bar on the mountaintop for a nightcap while the crowds from the concert dissipate.
