

FACTS Horseback Trailride

Day: Wednesday, August 1st
Time: 9:30 a.m. - 11:30 a.m.
Location: Aspen Grove Trail
Boulder Mountain Ranch
1717 Marsac Avenue Park City, UT
435-640-2769

This year's AESC horseback adventure for kids is a one-hour ride that guides you through a lush switchback trail up the mountain offering spectacular views of Park City and surrounding areas. Experience the enchanting forest of aspen and pine trees as you spy for wildlife.

Transportation

The riders will be transported from the hotel to the stables by Club members. We will gather at the family breakfast before departing to the ranch, which is just a few minutes away from the hotel.

Other Information

Be sure your rider is properly attired . . . long pants and closed-toed shoes; *no sandals!* (Sneakers are ok.) Dress appropriately for the weather. Sunscreen and hats are strongly encouraged. The stables will provide everything else needed for a fun and safe ride.

Our riders will be split into two groups. An adult from the Club will accompany each group on the trail.

A parent should be present before departure to complete the waiver/permission forms required by the stable. We expect to have the forms at the Club registration table.
