

FACTS Kids Activities

- ✓ Kite making
- ✓ Scuba lessons

Day: Wednesday, July 31st
Time: 9:30 a.m. - 11:30 a.m.
Location: Meet at the Family Breakfast
at 9:00 a.m.

Bermuda Kite Making

Younger kids will learn all about the making of traditional Bermuda kites. With the help of the Fairmont's Explorers Camp counselors, build your own mini kite and decorate it to represent your unique personality.

Scuba Lessons

Our teen-age attendees have the chance to learn the basic of scuba diving and to try out their new skill in the cove just off the Fairmont's private beach. Divers should come in their swim wear... and don't forget sunscreen! Dive Bermuda will provide all of the necessary equipment.

Make sure you have completed the dive form before heading down to the dive shop... Parents must sign for anybody under age 18. Stop by the AESC registration area to get your form.
