

## FACTS AESC First-ever Sailing Regatta

Day: Wednesday, July 31<sup>st</sup>  
Time: 1:00 p.m. - 5:00 p.m.  
Location: Royal Bermuda Yacht Club

Meet at the front door the Fairmont - our charter bus will transport you to the RBYC

You've heard of the Chicago to Mackinac Race and America's Cup. Now get ready for the AESC's own race supervised by "Commodore" Greg Miarecki (Chris Albanis' husband). We'll be transported to the Royal Bermuda Yacht Club where our racers will board our fleet of J80 sailboats for some friendly (?) competition on the water. We'll divide into teams with crews of 4 (or 5) sailors plus an experienced helmsman. Most likely, we'll have two sections of races. Relax on the RBYC Terrace while the other section is on the water, followed by a short reception to announce the winners.

### What to bring/wear

- ✓ T-shirts/shorts
- ✓ Appropriate foot wear - sneakers or deck shoes (no sandals)
- ✓ Sunglasses and hat
- ✓ Sunscreen
- ✓ Consider bringing a water bottle/container that can be filled on-site

While sailing is underway, if you are on the shore group, relax at the yacht club... we'll have some snacks and refreshments available. After the racing is done, there will be a short reception so that stories can be hatched and winners can be recognized!

Buses will return you to the hotel.
