Use a separate sheet of paper to list commercial interest(s), if necessary

* The IAO PROHIBITS <u>employees and owners</u> of Commercial Interests from participating on any CME PLANNING COMMITTEE and serving as presenters.

Additional information may be requested to address any perceived conflict of interest. All identified conflicts of interest must be managed and resolved in advance of the activity and disclosure information will be shared with the activity participants.

Step 2: Speaker Disclosure of Off-Label and/or Investigational Uses

| If at any time during my educational activity, I discuss an off-label/investigative use of a commercial product/device, I u | inderstand that I | must |
|---|-------------------|------|
| provide disclosure of that intent. | | |

| П | No. | I do not intend to | discuss an | off-label/investigative use | e of a commercia | product/device |

Step 3: Statements & Rules of IAO/ACCME Accreditation / Content Validation

Please read the statements/rules of IAO/ACCME accreditation below, sign, and return to the IAO Continuing Medical Education Office. If you have any questions regarding your ability to comply, please contact Kim Williams, at 317-577-3062 or by e-mail at kwilliams@thecorydongroup.com..

- The content and/or presentation of the information with which I am involved will promote quality or improvements in healthcare and will not promote a specific business interest of a commercial interest. Content for this activity, including any presentation of therapeutic options, will be well-balanced, evidence-based, and unbiased, and has adequate justification for their indications and contraindications in the care of a patient.
- Recommendations involving diagnosis and treatment discussed in the presentation are based on evidence which is accepted within the profession of medicine as adequate justification for their indications and contraindication in the care of patient.
- All scientific research referred to, reported or used in CME in support of justification of patient care recommendation will conform to the generally accepted standards of experimental design, data collection, and analysis. Citations of the work are recommended.
- The content will not promote recommendations, treatment, or manners of practicing medicine that are not within the definition of CME, or known to have risks or dangers that outweigh the benefits or known to be ineffective in the treatment of patients. The content will not advocate for unscientific modalities of diagnosis or therapy.
- Objectives of my presentation are consistent with overall objectives of the course, and the content is relevant to participants needs.
- I have disclosed (via Disclosure Form to IAO) all relevant financial relationships. I understand these will be disclosed to the audience, if they are relevant/potentially relevant to the educational content.
- I have not and will not accept any honoraria, additional payment or reimbursements beyond that which has been agreed upon directly with the IAO.
- I understand that IAO CME staff will need to review my presentation and/or content prior to the activity, and I will provide educational content and resources in advance, as requested.
- I understand that commercial entity corporate names or logos should not appear on my slides or handouts.
- I understand that IAO CME staff may be attending the event to ensure that my presentation is educational, and not promotional, in nature.
- If I am discussing specific health care products or services, I will use generic names to the extent possible. If I need to use trade names, I will use trade names from several companies when available, and not just trade names from any individual company.
- If I am discussing any product use that is off label, I will disclose that the use or indication in question is not currently approved by the FDA for labeling or advertising.
- If I have been trained or utilized by a commercial entity or its agent as a speaker (e.g., speaker's bureau for any commercial interest), the promotional aspects of the presentation will not be included in any way with this activity.
- If I am a speaker for any commercial interest, the promotional aspects of this relationship will not be included in any way with this activity.
- If I am presenting research funded by a commercial company, the information presented will be based on generally accepted scientific principles and methods and will not promote the commercial interest of the funding company.
- If I am presenting research studies, I will include weaknesses and strengths of each study, in addition to harms and benefits of specific products. I will also discuss studies presenting different conclusions about the product, if available.

Step 4: Declaration

I will uphold the IAO CME standards to ensure balance, independence, objectivity, and scientific rigor in my role in the planning, development or presentation of this CME activity. I understand that CME accreditation guidelines prohibit me from accepting any reimbursement (financial, gifts, or in-kind exchange) for this presentation from any source other than the accredited CME provider or its educational partner (or fiscal agent).
